

The F♥'C'S'LE

Hunterdon Sailing Club, Inc.

February 2013

Number 465

Hunterdon Sailing Club's 2013 Season *Our 49th Year on Spruce Run!*

The Hunterdon Sailing Club is off to a great start! The Executive Team just finished our 2013 planning and has produced the events calendar which you will find in this edition of the Fo'c's'le. This year we have activities planned for every level of sailing prowess, so whether you are a novice, intermediate or an advanced sailor, you will hopefully find something fun and challenging this season. From my perspective, it is such a gift to work side by side with other HSC members who love sailing, and to conspire with these sailors on how to promote the sport of sailing. What a joy! And that is what the HSC is all about. We'll have an opportunity to discuss many of these activities at our Membership Meetings on **February 24th** and **March 24th** at Riley and Jake's restaurant in Clinton. Here are a few of our club initiatives and updates for 2013:

- Great news - We have a new online membership sign-up and renewal capability! This is a significant change from our traditional paper-based system which will be convenient for our members and will reduce the manual work required in our membership process. The initial response has been excellent! Additional information is on our web site at www.sailhsc.org, and on page 3 of this issue.

New for 2013!

**Join, Renew your
HSC Membership, and sign-up for
Training Classes ONLINE!**

Details on Page 3, or visit:

https://www.regattanetwork.com/membersgmt/HSC/membership_registration_start.php

...Continued from page 1

- Training Fleet upgrades: We have been making strides to update our Sunfish Fleet and have replaced 5 of our 12 boats. This year we will have updated equipment (rudders, centerboards, etc.) and new sails. All the sails will carry the HSC logo for easy identification and a great new look out on Spruce Run.
- Sunfish racks: It is our intention to add permanent storage racks for the Sunfish on the outside of the shed in order to better organize and store our Sunfish. We are designing the racks to provide easier access to the Sunfish and security with a locking system. The final design will need to be approved by the Spruce Run State Park authorities before we can begin construction.
- Hurricane Repairs: Our beloved race committee boat, "The See Which Won", survived Hurricane Sandy, but suffered significant wind damage to the railing and roof structure. Our new Rear Commodore and his team are making arrangements to repair and replace the railing, awning, signals and signage for the committee boat.
- Sail Training: This year we will be offering Adult Learn-to-Sail (LTS) in two sessions, mid and late June. We have changed the dates for the Youth LTS classes, also because of Hurricane Sandy. Many of the NJ schools have extended their dismissal dates to late June, so we will offer our Youth Learn-to-Sail classes in the second week of July.
- Work Day and Sail Training Volunteers Needed: Every year we need lots of helping hands to prepare the club's boats and facilities for the season. Since all of our events are supported and delivered by our members, I will make an early request to our members to pitch in and lend a helping hand in whatever capacity you can. We welcome and look forward to your participation.

Many other activities are planned throughout the season for racing and for casual sailing. Our Fleet Captains for the Flying Scots, Force 5, Jet 14, Sunfish, Cruising and Ladies Fleet will sponsor races, regattas, clinics, and will take turns sponsoring fun events like Hot Dog Sundays. Please see the information from our fleet captains later in this newsletter.

We will look forward to seeing you soon, either at the Membership Meetings or out at Spruce Run Reservoir. Happy Sailing!

Jay Halsted
Commodore

New Online Membership and Training Registration System

HSC is proud to announce that our online membership system and training registration program is now up and running!

We've been working through the winter with Regatta Network, a US Sailing affiliate, to develop this system to simplify the membership process and allow people to sign up online and pay by credit card.

Membership Renewal and Application (three options)

(1) You will be able to complete your application and pay online. Your membership will be active right away.

https://www.regattanetwork.com/membermgmt/HSC/membership_registration_start.php

(2) You can complete your application online and print a receipt to mail with your check. Your membership will be active after your check has been processed by the Membership Director.

https://www.regattanetwork.com/membermgmt/HSC/membership_registration_start.php

(3) A paper application is also available at: <http://tinyurl.com/abghcct> if you wish to print and mail your application with your payment. Your membership will be active after your paper application and payment have been processed by the Membership Director.

Training Registration

You may also register for a training class online, provided that you have completed and paid for your membership first. All training classes are limited in size and spaces are reserved on a first come with a complete application, first served. Swim test required prior to classes for youth and adults. Taught in sunfish sailboat; boats provided.

Adult Learn-to-Sail Classes:

Adult Learn-to-Sail A – June 20 & 21 from 6:00 to sundown and June 22 from 9:00 am to 4:00 pm. Maximum enrollment is 12 participants. Follow the link below to start your registration:

https://www.regattanetwork.com/clubmgmt/apple_t_registration_form.php?regatta_id=6094

Adult Learn-to-Sail B – June 27 & 28 from 6:00 to sundown and June 29 from 9:00 am to 4:00 pm. Maximum enrollment is 12 participants. Follow the link below to start your registration:

https://www.regattanetwork.com/clubmgmt/apple_t_registration_form.php?regatta_id=6095

Youth Learn-to-Sail Classes:

Youth Learn to Sail 1 – July 8, 9 & 10 from 9:00 am to 4:00 pm. YLTS 1 maximum enrollment is 24 participants, sailing 2 per boat.

Youth Learn to Sail 2 – July 11, 12 & 13 10 from 9:00 am to 4:00 pm. YLTS 2 maximum enrollment is 12 participants, sailing 1 per boat.

Please note: Your registration for a Youth class will not be complete until we have received a Universal Health Care Form and a Medical & Transportation Waiver available at: <http://tinyurl.com/bb2y4vf>

Follow the link below for either of the youth programs:

https://www.regattanetwork.com/clubmgmt/apple_t_registration_form.php?regatta_id=6096

If you prefer, you may complete a paper application and training registration form available at:

<http://tinyurl.com/abghcct>

You are encouraged to contact Membership Coordinator Rich Baumann (sailHSC@hotmail.com) with any questions. Please include your phone number if you need a return call.

*Rich Baumann
Membership Coordinator*

Jet 14 Fleet #51 News

The Jet Fleet had a great 2012 with lots of sailing and participation at events! Right now most of the boats are hibernating, many are in garages, and owners are regularly checking others to prevent ice from forming in the cockpits. If anyone is interested in joining the summer fun, Jets for sale can be found at www.jet14.com under "classified". There is even a Jet-14 Buying Guide there. Also, several existing members would be happy to help you look at boats and help you with sailing one. Brand new Jets can also be factory ordered. (Made in the USA) If you are looking, please let me know.

We plan to have Sunday sailing as well as several regattas and picnics during the year. The National Championships will be held August 7 to 10 on Lake Norman near Charlotte, North Carolina.

Jet 14s are also at the 2013 Cleveland Boat Show! That makes it 11 straight years of promoting Jets and sailing at Fleet 60.

Welcome to 2013,
Nicky
Jet-14 Fleet Captain

Message From an Anonymous Member Who Just Renewed for 2013...

"This was very easy to do. It ran fast, was easy to fill out and I like using a credit card to get it over with.

In as much as it is possible to be happy paying for something, I am happy!

Congrats Rich, as I see this as very worthwhile for the club volunteers that do the work, and hardly any imposition on the membership that needs to fill it out!

Grand success!

Rich for President!

Rich for Emperor!

Rich for Registration Chairman for Life!" 😊

Anonymous

NJYRA Report

The North Jersey Yacht Racing Association (NJYRA) is figuring out their schedule for the year. Any sailboat class that has two or more active fleets which are members of NJYRA sailing clubs may have NJYRA Championships.

Please let me know your fleet's NJYRA Championship event date, name, and location, so I can inform NJYRA.

Thanks,
Nicky

Spring Work Day

We hope you will join us at **10:00 AM on Saturday, April 20th** (rain date Sunday, April 21st), as we need all the hands we can get in order to get the club ready to go for the season!

Our Race Committee boat, *See Which Won*, sustained wind damage during Hurricane Sandy, and we will be installing new railings and a new roof structure. We will also be taking care of the usual cleaning/organization of the safety boats and shed, making sure the HSC equipment is ready to go for Opening Day!

Anyone who can attend should feel free to bring: saw horses for working on boats; any cordless power tools; hand tools, gardening tools, cleaning supplies, and large containers of clean tap water. Thank you in advance for making the time to participate in this important event. The more people who can attend, the faster we can get everything done!

Dave Petersen
Rear Commodore

Sunfish Fleet Report

Opening Day for Sunday Sunfish racing is April 28th, and Opening Night for Twilight Sunfish is May 1st.

"A picture is worth a thousand words," so this month's Fleet Report is 2, 040 words -- See you on the water!

Ladies Fleet News

2013 is here and the Ladies Fleet has a new Fleet Captain. Pia Lord will be the 2013 Ladies Fleet Captain! We are looking forward to a good year!

Last year a lot of HSC Ladies, Women, and Girls sailed at Spruce Run in many different fleets. I've heard that they had a lot of fun! We are starting work on the sailing schedule. We are also looking forward to warmer weather, to Spruce Run having the water level at full, and to seeing you at the General Membership meeting on February 24th at Riley and Jake's on Route 31 at 1PM.

Nicky

Outgoing Ladies Fleet Captain

Welcome to the Ladies Fleet!

I am looking forward to a fun and exciting summer of sailing!

In order to have active participation from "all the ladies" in the club, I would like to first of all say "congratulations" on being a sailor or "sailorette", however you would like to term yourself! Sailing is certainly one of the most challenging endeavors around, especially if you are calling it your hobby! After all, who in their right mind would relish lugging an 800-2000lb boat around, brave high winds, possible gales, capsizes; experiences that mere mortals would deem "near death" and not only live to tell about them, but do so with pleasure. A pleasure that only those who sail would understand.

Many of you already know me as a former HSC Sunday Sunfish fleet captain with some sailing experiences garnered mainly in my youth at SSA (Severn Sailing Association in Annapolis). I have also crewed on "big boats" in Annapolis including my Dad's as a teenager. Subsequent to this, while at Barnard College, I sailed the Caribbean, crewing and skippering a 50ft steel hulled yacht which was making a trip around the world. I was with them for a short stay, manning the helm from Venezuela to Bonaire. Since then I have raced in Melges 24, Sunfish and Force Five.

This year I am hoping that the Ladies Fleet can take an active part in the sailing calendar. We will be hosting sailing events as well as sponsoring picnics and "Hot Dog Sundays". I am looking into having an author come talk with us about her book on Sailing in Annapolis! Please share your ideas with me now so that we can incorporate them into the overall summer schedule and plan. Email me at pialord@gmail.com or ladiesfc@sailhsc.org.

Thanks, I look forward to hearing from you!
Bottoms Up!

Pia Lord

Ladies Fleet Captain

Flying Scot Fleet # 184 News

The Flying Scot fleet will be hosting its annual fleet party at the Kaplan/Zilberboim residence on **March 23rd**, when will be begin discussing activities for the coming season.

The annual "Challenge of the Lakes" series is still alive and well, and our first day in the 2013 series will be at Spruce Run on **April 28th**, which is also Opening Day at HSC.

As in past years, the fleet will be submitting its Spruce Run summer parking applications together so that all of the boats will be located side by side. While the wide width of the Scot makes this arrangement a little tight space wise, there is never any doubt who is racing that day and who is not, and it provides ample opportunity to talk about the "big race that got away" after the day's festivities are over, not to mention finding assistance when needed with raising masts and so forth!

For anybody looking to finally move up to a Scot, your opportunity is here! John Thomas has his well-equipped boat up for sail. We would love to see it stay in the club! See the back page for full details about John's boat.

*Mark Kaplan
Flying Scot Fleet Captain*

HSC 2013 Events Calendar Shapes Up

Between Sandy, the holiday season, and a winter that can't make up its mind whether to blow hot or cold, we can all be excused if our seasonal compass is a bit out of whack. But the 2013 season is coming together, so put these dates on your calendar and start recalibrating toward summer.

Saturday, April 20th is the HSC Spring Work Day. We will have the usual assortment of tasks including launching the Sea Which Won, complete (we hope) with new roof and signal board. And we'll need plenty of hands to bend on the new Sunfish sails. So please show up!

The spring Sunday series kicks off on **April 28th**. Come on out. It will be Flying Scot Fleet Challenge of the Lakes so you can look for a big turnout of the big boats.

The Wednesday Twilight 1 series starts on May Day (**May 1st**). We might even have a May Pole. Or Mast. You'll have to show up to see.

Then comes our first Hot Dog Sunday, hosted by the Force 5 Fleet, on Sunday, May 26th followed by the annual Memorial Day Sunfish Regatta that Monday. Two sailing days and two picnics. How can you go wrong?

We are continuing a lot of our traditions: the Around the Lake Cruise is on Saturday, **June 15th**, the Little Brown Jug race and picnic on Thursday, **July 4th** and the Flying Scot Scramble on Saturday, **July 20th**. This year, the Ladies Fleet plans to hold its HSC Sailing Fund Day on Saturday, **August 10th**.

Look for the full calendar soon on the HSC website www.sailhsc.org; in the meantime there is a preview on the following page. There will be plenty of activity to keep you busy this summer!

*Chet Ensign
Vice Commodore*
