Monday, 9/5 – Labor Day Sunfish Regatta

2011 Labor Day Sunfish Regatta

When: Monday, September 5th

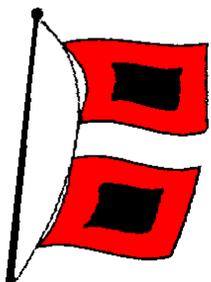

Skipper's Meeting: 9:30 AM

1st Race Start: 10:45 AM

Join us on the 5th for the annual Labor Day Sunfish Regatta! Celebrate America's pride in the working men and women who built this country and the boats we sail. This event is open to all HSC club members and the Club's Sunfish will be available for this event. First race starts at 10:45 AM, and we plan to run 5 races! Be prepared to eat lunch on the water.

See you all there on Monday, September 5th!

Commodore Mike

THANK YOU to Gordon Sell, Rich Baumann, Jay Halstead, Charlie Engler, Ellen Greenhorn, David and Andrew Stockwell, and former member Rick McGough!

These members came to Spruce Run on short notice last Friday to help prepare the Club boats, the shed, and the *See Which Won* in advance of Hurricane Irene.

Sunday Racing

When: Sunday, September 4rd

Sunday Start: 1:30 PM

The Fall Racing Series is underway, but Hurricane Irene kept us off the water last Sunday. There should be lots of folks anxious to get back out on the water!?!

The holiday weekend is a great time to get in on the action!
